Summary

Passionate Front-End Engineer with a drive for accomplishment. I seek to be a part of a team that I can continuously learn from and contribute to in a meaningful way. Team, structure and communication are the key fundamentals I am looking for in a team. My goal is to become a craftsman in my trade.

Skills

HTML5
CSS3
Responsive Web Design
Accessibility
Javascript (ES6)
jQuery
Unit Testing
React
Redux

Passions

Sailing
Hiking
Traveling

Experience

Turing School of Software and Design

2017, DENVER, CO

Undertook a seven month Front-End Engineering program with over 1500 hands-on hours. Continuously built skills in HTML, CSS, and Design Fundamentals to start and moved onto a solid foundation in core JavaScript and React.

HSS Inc.

Coordinator | Executive Assistant, Aviation and Government Services

March 2015 - June 2016, DENVER, CO

As a member of the Business Development team, facilitated proposal responses as well as supported C-suite team and airport and government account program managers at the nation's leading Aviation/Airport Security and Government Services security partner.

Pratt & Whitney Canada | WSK Rzeszow, Poland

Customer Service Representative | Account Support

January 2011 - July 2013, RZESZOW, POLAND

Worked closely with major aircraft companies to facilitate timely repairs and shipments of aircraft parts from Pratt & Whitney facilities. Based out of Rzeszow, Poland, managed accounts in America, Europe, Australia, Asia, and the Middle East.

Education

University of Silesia / Masters in English-Polish Translation

KATOWICE, POLAND
